Advocacy – Progress – Impact

Virtual Town Hall Meeting

Thursday,

2025
4:00 PM –
5:00 PM ET

Join the *National Coalition on Personnel Shortages in Special Education and Related Services (NCPSSERS)* for a powerful Virtual Town Hall commemorating the 50th Anniversary of the Individuals with Disabilities Education Act (IDEA).

A dynamic panel of parents and professionals will share how IDEA has shaped their personal and professional lives. The IDEA has real-life impact on students' lives and success. Issues currently affecting the law's important impact include: (a) personnel shortages; (b) insufficient funding; and (c) specialized instructional support personnel (SISP) services that allow for student success.

This event is a call to action and reflection—honoring IDEA's legacy while confronting today's challenges and envisioning a better future for students with disabilities.

Save the date and be part of the conversation that drives progress for students with disabilities.

The event is free and open to all. Click here to register.
